

## What's New in Oracle Cloud

This chapter lists the new features and enhancements in Applications console, Infrastructure Classic console, and other changes in Oracle Cloud:

- [July 2020](#)
- [September 2019](#)
- [July 2019](#)

### July 2020

Learn about the new and changed features in Applications Console, Infrastructure Classic Console, Subscriptions, and other changes in Oracle Cloud.

### New and Changed Features in Free and Paid Oracle Cloud Promotion

Feature	Description
Upgrade your free promotion using the Oracle Cloud Infrastructure Console	You can no longer upgrade your free promotion to a paid account by using Infrastructure Classic Console. Instead, you must use the Oracle Cloud Infrastructure Console to upgrade. See <a href="#">Changing Your Payment Method</a> in Oracle Cloud Infrastructure documentation.

### September 2019

Learn about the new and changed features in Applications Console, Infrastructure Classic Console, Subscriptions, and other changes in Oracle Cloud.

### New and Changed Features in Free Oracle Cloud Promotion

Feature	Description
All Oracle Cloud Infrastructure accounts have a set of resources that are available free of charge for the life of the account.	All Oracle Cloud Infrastructure accounts (whether free or paid) have a set of resources that are available free of charge for the life of the account. These resources are called Always Free resources. See <a href="#">Oracle Cloud Infrastructure's Free Tier</a> in Oracle Cloud Infrastructure documentation.

## New and Changed Features in Applications Console and Infrastructure Classic Console

Feature	Description
Accessing Oracle Cloud services from the Oracle Cloud web console	<p>All Infrastructure (IaaS) services and platform (PaaS) services are available directly from the Infrastructure Console.</p> <p>If you see Infrastructure Classic at the top of the page when you sign in to Oracle Cloud, then you are using the Infrastructure Classic Console to access your services and your subscription does not support access to the Infrastructure Console. My Services application is now rebranded as Infrastructure Classic Console.</p> <p>All Oracle Cloud Applications are available from the Applications Console.</p> <p>See <a href="#">Navigate to Your Cloud Services</a> in <i>Getting Started with Oracle Cloud</i>.</p>
Changes in the <b>Dashboard</b>	<ul style="list-style-type: none"> <li>• <b>Account Management</b> tile on the Dashboard is now called <b>Manage Account</b> tile.</li> <li>• The <b>Users</b> button is no longer available on the <b>Dashboard</b>. To access the <b>Users</b> page, open the navigation menu. Under <b>Account Management</b>, click <b>Users</b>.</li> <li>• The <b>Customize Dashboard</b> tile no longer available on the Dashboard. To open the <b>Customize Dashboard</b> dialog box, click  next to <b>Dashboard</b>.</li> </ul>
Changes in the left navigation menu	<p>In addition to accessing services from the navigation menu on the left, you can now switch between the different consoles or dashboards to work with Oracle Cloud Infrastructure and Application services. On the left navigation menu, under <b>Dashboards</b> you'll find the consoles listed depending on your subscriptions. See <a href="#">Switch Between the Consoles</a> in <i>Getting Started with Oracle Cloud</i>.</p>

July 2019

Learn about the new and changed features in My Services, Subscriptions, and other changes in Oracle Cloud.

## New Features in Subscriptions

---

Feature	Description
Provisioning Oracle Cloud Applications	If you've subscribed to Oracle Cloud Applications or you have those entitlements in your account, then you can provision these services from the Applications Administration dashboard before your users can start using them.  See <i>Get Started with Oracle Cloud Applications in Getting Started with Oracle Cloud</i> .

---

## New and Changed Features in My Services

---

Feature	Description
Applications Administration dashboard for Oracle Cloud Applications instances	When you work with Oracle Cloud Applications instances, the Applications Administration dashboard appears. You can use the Applications Administration dashboard to provision Oracle Cloud Applications instances. To manage other aspects of your Cloud Account and services, use the My Services dashboard.

---

## Documentation Accessibility

For information about Oracle's commitment to accessibility, visit the Oracle Accessibility Program website at <http://www.oracle.com/pls/topic/lookup?ctx=acc&id=docacc>.

## Access to Oracle Support

Oracle customers that have purchased support have access to electronic support through My Oracle Support. For information, visit <http://www.oracle.com/pls/topic/lookup?ctx=acc&id=info> or visit <http://www.oracle.com/pls/topic/lookup?ctx=acc&id=trs> if you are hearing impaired.
