

Application Integration Architecture Software Compatibility

This document lists the software compatible with Oracle Application Integration Architecture.

See the following sections:

- [AIA Cloud Native Deployment Software Compatibility](#)
- [AIA Traditional Deployment Software Compatibility](#)

AIA Cloud Native Deployment Software Compatibility

[Table 1-1](#) lists the compatible third-party technologies.

Table 1-1 Compatible Third-Party Cloud Native Technologies

Software	Version	Notes
Fluentd	1.16.2	Not Applicable
Grafana	10.0.1	Not Applicable
Helm	3.14.0	Not Applicable
Kubernetes	1.27.2+	Not Applicable
OpenSearch	2.8.0	Not Applicable
Prometheus	2.44.0	Not Applicable
WebLogic Kubernetes Operator	4.1.4+	To integrate OSM cloud native 7.5.0 with AIA cloud native 12.3.2, configure BRM cloud native and Siebel cloud native with AIA cloud native 12.3.2 in the same Kubernetes namespace. Install WKO 4.1.4 or above for deploying OSM cloud native as well as BRM cloud native and AIA cloud native.

[Table 1-2](#) lists the version of the cloud native applications compatible with this release.

Table 1-2 Compatible Cloud Native and Other Applications

Application	Version
BRM Cloud Native	15.0.0.0 Apply the following patches on top: <ul style="list-style-type: none"> • 36043192 • 36362037
Fusion Middleware	12.2.1.4
Oracle Data Integrator	12.2.1.4
OSM Cloud Native	7.5.0.0.1
OSM Order-to-Activate Cartridges	2.1.2.1.2
Service Catalog and Design - Design Studio	8.0
Siebel CRM Containers	24.1

Refer to the compatibility matrix of each individual application for versions of compatible software.

AIA Traditional Deployment Software Compatibility

[Table 1-3](#) lists compatible software and versions for AIA traditional deployment.

Table 1-3 AIA Traditional Deployment Software Compatibility

Application	Version	Notes
BRM	15.0.0.0.0 Apply the following patches on top: <ul style="list-style-type: none"> • 36043192 • 36362037 	For the following integration packs: <ul style="list-style-type: none"> • Communications Order to Cash Integration Pack for Oracle Communications Billing and Revenue Management • Siebel CRM Integration Pack for Oracle Communications Billing and Revenue Management: Agent Assisted Billing Care
Design Studio for Windows	8.0	For Communications Order to Cash Integration Pack for Oracle Communications Order and Service Management
Fusion Middleware	12.2.1.4	For all integration packs
Oracle Data Integrator	12.2.1.4	Not Applicable
OSM	7.5.0.0.1	For Communications Order to Cash Integration Pack for Oracle Communications Order and Service Management
OSM Order-to-Activate Cartridges	2.1.2.1.2	For Communications Order to Cash Integration Pack for Oracle Communications Order and Service Management

Table 1-3 (Cont.) AIA Traditional Deployment Software Compatibility

Application	Version	Notes
Siebel	24.1	For the following integration packs: <ul style="list-style-type: none"> • Communications Order to Cash Integration Pack for Siebel CRM • Siebel CRM Integration Pack for Oracle Communications Billing and Revenue Management: Agent Assisted Billing Care

Documentation Accessibility

For information about Oracle's commitment to accessibility, visit the Oracle Accessibility Program website at <http://www.oracle.com/pls/topic/lookup?ctx=acc&id=docacc>.

Access to Oracle Support

Oracle customers that have purchased support have access to electronic support through My Oracle Support. For information, visit <http://www.oracle.com/pls/topic/lookup?ctx=acc&id=info> or visit <http://www.oracle.com/pls/topic/lookup?ctx=acc&id=trs> if you are hearing impaired.

Oracle Application Integration Architecture Compatibility Matrix, Release 12.3.2 F92297-01

This software and related documentation are provided under a license agreement containing restrictions on use and disclosure and are protected by intellectual property laws. Except as expressly permitted in your license agreement or allowed by law, you may not use, copy, reproduce, translate, broadcast, modify, license, transmit, distribute, exhibit, perform, publish, or display any part, in any form, or by any means. Reverse engineering, disassembly, or decompilation of this software, unless required by law for interoperability, is prohibited.

The information contained herein is subject to change without notice and is not warranted to be error-free. If you find any errors, please report them to us in writing.

If this is software, software documentation, data (as defined in the Federal Acquisition Regulation), or related documentation that is delivered to the U.S. Government or anyone licensing it on behalf of the U.S. Government, then the following notice is applicable:

U.S. GOVERNMENT END USERS: Oracle programs (including any operating system, integrated software, any programs embedded, installed, or activated on delivered hardware, and modifications of such programs) and Oracle computer documentation or other Oracle data delivered to or accessed by U.S. Government end users are "commercial computer software," "commercial computer software documentation," or "limited rights data" pursuant to the applicable Federal Acquisition Regulation and agency-specific supplemental regulations. As such, the use, reproduction, duplication, release, display, disclosure, modification, preparation of derivative works, and/or adaptation of i) Oracle programs (including any operating system, integrated software, any programs embedded, installed, or activated on delivered hardware, and modifications of such programs), ii) Oracle computer documentation and/or iii) other Oracle data, is subject to the rights and limitations specified in the license contained in the applicable contract. The terms governing the U.S. Government's use of Oracle cloud services are defined by the applicable contract for such services. No other rights are granted to the U.S. Government.

This software or hardware is developed for general use in a variety of information management applications. It is not developed or intended for use in any inherently dangerous applications, including applications that may create a risk of personal injury. If you use this software or hardware in dangerous applications, then you shall be responsible to take all appropriate fail-safe, backup, redundancy, and other measures to ensure its safe use. Oracle Corporation and its affiliates disclaim any liability for any damages caused by use of this software or hardware in dangerous applications.
