

Oracle® Communications IP Service Activator

Release Notes

Release 7.5

F59528-01

September 2022

Release Notes

This document provides release notes for Oracle Communications IP Service Activator release 7.5 and includes the following:

- [New Features](#)
- [Fixes in This Release](#)
- [Known Problems](#)
- [Deprecated and Removed Features](#)

New Features

The new features in this release of IP Service Activator are:

- [Using an Oracle Wallet for Storing IPSA WebLogic Properties](#)
- [Updated Version of CORBA omniORB](#)
- [Platform Upgrade](#)

Using an Oracle Wallet for Storing IPSA WebLogic Properties

An Oracle wallet is used to store the WebLogic Server properties of IP Service Activator. Prior to IP Service Activator 7.5 release, these properties were saved in a Fusion Middleware credential store.

Updated Version of CORBA omniORB

IP Service Activator 7.5 requires omniORB 4.2.4 on Solaris, Linux, and Windows platforms to provide CORBA ORB services.

Platform Upgrade

IP Service Activator 7.5 supports the following Oracle Fusion Middleware and Oracle Database software versions:

- Oracle Fusion Middleware 14c (14.1.1.0.0)

- Oracle Database Enterprise Edition 19c Release (19.15.0.0.0)

Fixes in This Release

IP Service Activator 7.5 includes all fixes up to and including release 7.4.0.13.0.

Known Problems

IP Service Activator 7.5 no longer supports Event Handler. However, you may notice a few references to Event Handler in the IP Service Activator Help. You can ignore these references.

Deprecated and Removed Features

- IP Service Activator 7.5 discontinues support for the following component and tool:
 - Event Handler
 - Cisco Cartridge Configuration Utility

Documentation Accessibility

For information about Oracle's commitment to accessibility, visit the Oracle Accessibility Program website at <http://www.oracle.com/pls/topic/lookup?ctx=acc&id=docacc>.

Access to Oracle Support

Oracle customers that have purchased support have access to electronic support through My Oracle Support. For information, visit <http://www.oracle.com/pls/topic/lookup?ctx=acc&id=info> or visit <http://www.oracle.com/pls/topic/lookup?ctx=acc&id=trs> if you are hearing impaired.

This software and related documentation are provided under a license agreement containing restrictions on use and disclosure and are protected by intellectual property laws. Except as expressly permitted in your license agreement or allowed by law, you may not use, copy, reproduce, translate, broadcast, modify, license, transmit, distribute, exhibit, perform, publish, or display any part, in any form, or by any means. Reverse engineering, disassembly, or decompilation of this software, unless required by law for interoperability, is prohibited.

The information contained herein is subject to change without notice and is not warranted to be error-free. If you find any errors, please report them to us in writing.

If this is software, software documentation, data (as defined in the Federal Acquisition Regulation), or related documentation that is delivered to the U.S. Government or anyone licensing it on behalf of the U.S. Government, then the following notice is applicable:

U.S. GOVERNMENT END USERS: Oracle programs (including any operating system, integrated software, any programs embedded, installed, or activated on delivered hardware, and modifications of such programs) and Oracle computer documentation or other Oracle data delivered to or accessed by U.S. Government end users are "commercial computer software," "commercial computer software documentation," or "limited rights data" pursuant to the applicable Federal Acquisition Regulation and agency-specific supplemental regulations. As such, the use, reproduction, duplication, release, display, disclosure, modification, preparation of derivative works, and/or adaptation of i) Oracle programs (including any operating system, integrated software, any programs embedded, installed, or activated on delivered hardware, and modifications of such programs), ii) Oracle computer documentation and/or iii) other Oracle data, is subject to the rights and limitations specified in the license contained in the applicable contract.

The terms governing the U.S. Government's use of Oracle cloud services are defined by the applicable contract for such services. No other rights are granted to the U.S. Government.

This software or hardware is developed for general use in a variety of information management applications. It is not developed or intended for use in any inherently dangerous applications, including applications that may create a risk of personal injury. If you use this software or hardware in dangerous applications, then you shall be responsible to take all appropriate fail-safe, backup, redundancy, and other measures to ensure its safe use. Oracle Corporation and its affiliates disclaim any liability for any damages caused by use of this software or hardware in dangerous applications.
