Copyright © 2018, 2025, Oracle and/or its affiliates.

This software and related documentation are provided under a license agreement containing restrictions on use and disclosure and are protected by intellectual property laws. Except as expressly permitted in your license agreement or allowed by law, you may not use, copy, reproduce, translate, broadcast, modify, license, transmit, distribute, exhibit, perform, publish, or display any part, in any form, or by any means. Reverse engineering, disassembly, or decompilation of this software, unless required by law for interoperability, is prohibited.

The information contained herein is subject to change without notice and is not warranted to be error-free. If you find any errors, please report them to us in writing.

If this is software, software documentation, data (as defined in the Federal Acquisition Regulation), or related documentation that is delivered to the U.S. Government or anyone licensing it on behalf of the U.S. Government, then the following notice is applicable:

U.S. GOVERNMENT END USERS: Oracle programs (including any operating system, integrated software, any programs embedded, installed, or activated on delivered hardware, and modifications of such programs) and Oracle computer documentation or other Oracle data delivered to or accessed by U.S. Government end users are "commercial computer software," "commercial computer software documentation," or "limited rights data" pursuant to the applicable Federal Acquisition Regulation and agency-specific supplemental regulations. As such, the use, reproduction, duplication, release, display, disclosure, modification, preparation of derivative works, and/or adaptation of i) Oracle programs (including any operating system, integrated software, any programs embedded, installed, or activated on delivered hardware, and modifications of such programs), ii) Oracle computer documentation and/or iii) other Oracle data, is subject to the rights and limitations specified in the license contained in the applicable contract. The terms governing the U.S. Government's use of Oracle cloud services are defined by the applicable contract for such services. No other rights are granted to the U.S. Government.

This software or hardware is developed for general use in a variety of information management applications. It is not developed or intended for use in any inherently dangerous applications, including applications that may create a risk of personal injury. If you use this software or hardware in dangerous applications, then you shall be responsible to take all appropriate fail-safe, backup, redundancy, and other measures to ensure its safe use. Oracle Corporation and its affiliates disclaim any liability for any damages caused by use of this software or hardware in dangerous applications.

Oracle®, Java, MySQL, and NetSuite are registered trademarks of Oracle and/or its affiliates. Other names may be trademarks of their respective owners.

Intel and Intel Inside are trademarks or registered trademarks of Intel Corporation. All SPARC trademarks are used under license and are trademarks or registered trademarks of SPARC International, Inc. AMD, Epyc, and the AMD logo are trademarks or registered trademarks of Advanced Micro Devices. UNIX is a registered trademark of The Open Group.

This software or hardware and documentation may provide access to or information about content, products, and services from third parties. Oracle Corporation and its affiliates are not responsible for and expressly disclaim all warranties of any kind with respect to third-party content, products, and services unless otherwise set forth in an applicable agreement between you and Oracle. Oracle Corporation and its affiliates will not be responsible for any loss, costs, or damages incurred due to your access to or use of third-party content, products, or services, except as set forth in an applicable agreement between you and Oracle.

Preface

This topic contains following sub-topics:

- [Purpose](#)
- [Audience](#)
- [Documentation Accessibility](#)
- [Critical Patches](#)
- [Diversity and Inclusion](#)
- [Related Resources](#)
- [Conventions](#)
- [Screenshot Disclaimer](#)
- [Abbreviations and Acronyms](#)
- [Basic Actions](#)
- [Symbols and Icons](#)

Purpose

This guide helps you to install the Oracle Banking Corporate Lending Process Management services and User Interface. It is assumed that all the prior setup is already done related with WebLogic installation and Oracle DB installation.

It is recommended to use dedicated managed server for each of the Oracle Banking Microservices Architecture infrastructure services, Oracle Banking Corporate Lending Process Management Services, and Oracle Banking Corporate Lending Process Management User Interface.

Audience

This document is intended for the following Users/User Roles:

Table 1 Audience

Role	Function
WebLogic admin or ops-web team	Who installs the Oracle Banking Microservices Architecture banking products
Implementation Team	Implementation of Oracle Banking Corporate Lending Process Management
Presales Team	Install Oracle Banking Corporate Lending Process Management for demo purpose

Table 1 (Cont.) Audience

Role	Function
Bank Personnel	Who installs Oracle Banking Corporate Lending Process Management

The user of this manual is expected to have basic understanding of Application servers like Oracle Weblogic, and Oracle Database.

Documentation Accessibility

For information about Oracle's commitment to accessibility, visit the Oracle Accessibility Program website at <http://www.oracle.com/pls/topic/lookup?ctx=acc&id=docacc>.

Access to Oracle Support

Oracle customer access to and use of Oracle support services will be pursuant to the terms and conditions specified in their Oracle order for the applicable services.

Critical Patches

Oracle advises customers to get all their security vulnerability information from the Oracle Critical Patch Update Advisory, which is available at [Critical Patches, Security Alerts and Bulletins](#). All critical patches should be applied in a timely manner to make sure effective security, as strongly recommended by [Oracle Software Security Assurance](#).

Diversity and Inclusion

Oracle is fully committed to diversity and inclusion. Oracle respects and values having a diverse workforce that increases thought leadership and innovation. As part of our initiative to build a more inclusive culture that positively impacts our employees, customers, and partners, we are working to remove insensitive terms from our products and documentation. We are also mindful of the necessity to maintain compatibility with our customers' existing technologies and the need to ensure continuity of service as Oracle's offerings and industry standards evolve. Because of these technical constraints, our effort to remove insensitive terms is ongoing and will take time and external cooperation.

Conventions

The following text conventions are used in this document:

Table 2 Conventions

Convention	Meaning
boldface	Boldface type indicates graphical user interface elements associated with an action, or terms defined in text or the glossary.
<i>italic</i>	Italic type indicates book titles, emphasis, or placeholder variables for which you supply particular values.
<code>monospace</code>	Monospace type indicates commands within a paragraph, URLs, code in examples, text that appears on the screen, or text that you enter.

Screenshot Disclaimer

Personal information used in the interface or documents is dummy and does not exist in the real world. It is only for reference purposes.

Abbreviations and Acronyms

This guide may refer to the following abbreviations.

Table 3 Abbreviations

Abbreviation	Description
OBCLPM	Oracle Banking Corporate Lending Process Management
OBMA	Oracle Banking Microservices Architecture
SMS	Security Management System
CMC	Common Core

Basic Actions

Table 4 List of Basic Actions

Action	Description
Approve	Click Approve to approve the initiated report. This button is displayed, once the user click Authorize .
Audit	Click Audit to view the maker details, checker details of the particular record, and record status. This button is displayed only for the records that are already created.

Table 4 (Cont.) List of Basic Actions

Action	Description
Authorize	Click Authorize to authorize the record created. A maker of the screen is not allowed to authorize the report. Only a checker can authorize a record. This button is displayed only for the already created records.
Close	Click Close to close a record. This action is available only when a record is created.
Confirm	Click Confirm to confirm the performed action.
Cancel	Click Cancel to cancel the performed action.
Compare	Click Compare to view the comparison through the field values of old record and the current record. This button is displayed in the widget, once the user click Authorize .
Collapse All	Click Collapse All to hide the details in the sections. This button is displayed, once the user click Compare .
Expand All	Click Expand All to expand and view all the details in the sections. This button is displayed, once the user click Compare .
New	Click New to add a new record. The system displays a new record to specify the required data. (Note: The fields which are marked with Required are mandatory.)
OK	Click OK to confirm the details in the screen.
Save	Click Save to save the details entered or selected in the screen.
View	Click View to view the report details in a particular modification stage. This button is displayed in the widget, once the user click Authorize .
View Difference only	Click View Difference only to view a comparison through the field element values of old record and the current record, which has undergone changes. This button is displayed, once the user click Compare .

Symbols and Icons

The following symbols and icons are used in the screens.

Installation Process

This topic contains following sub-topics.

- [Introduction](#)
- [Implementation Order Of Installation Manual](#)
- [Supporting Documents](#)
- [Software Prerequisite List](#)

1.1 Introduction

This document details out the order in which you need to perform the installation process.

1.2 Implementation Order Of Installation Manual

Complete the instructions of the below installation manuals as per the mentioned order.

Table 1-1 Installation order

Order	Installation Manuals
1.	<i>Oracle Banking Microservices Platform Foundation User Guide</i>
2.	<i>Security Management System Services Installation Guide</i>
3.	<i>Common Core Services Installation Guide</i>
4.	<i>Oracle Banking Corporate Lending Process Management Installation Guide</i>
5.	<i>Oracle Banking Corporate Lending Process Management Conductor Process Installation Guide</i>
6.	<i>Initial Setup Guide</i>

1.3 Supporting Documents

The following are the supporting documents to perform the installation process.

- *Configuration and Deployment Guide*
- *Observability User Guide*
- *Troubleshooting Guide*
- *High Availability Set Up Guide*
- *Configuration of Environment Variables User Guide*
- *SSL Configuration Setup Guide*

1.4 Software Prerequisite List

The following are the software prerequisite list.

- Oracle Database Enterprise Edition
- Oracle WebLogic Server Standard Edition

Disclaimer

Every steps provided in this document or provided in the section *Implementation Order Of Installation Manual* are mandatory.
