Purpose

This guide is designed to help acquaint you with the Oracle Banking application. This guide provides answers to specific features and procedures that the user need to be aware of the module to function successfully.

Before you Begin

Kindly refer to our **Getting Started User Guide** for common elements, including Symbols and Icons, Conventions Definitions, and so forth.

Pre-requisites

Specify **User ID** and **Password**, and login to **Home** screen.

Audience

This document is intended for the following audience:

- Customers
- Partners

Documentation Accessibility

For information about Oracle's commitment to accessibility, visit the Oracle Accessibility Program website at <http://www.oracle.com/pls/topic/lookup?ctx=acc&id=docacc>.

Access to Oracle Support

Oracle customer access to and use of Oracle support services will be pursuant to the terms and conditions specified in their Oracle order for the applicable services.

Critical Patches

Oracle advises customers to get all their security vulnerability information from the Oracle Critical Patch Update Advisory, which is available at [Critical Patches, Security Alerts and Bulletins](#). All critical patches should be applied in a timely manner to ensure effective security, as strongly recommended by [Oracle Software Security Assurance](#).

Diversity and Inclusion

Oracle is fully committed to diversity and inclusion. Oracle respects and values having a diverse workforce that increases thought leadership and innovation. As part of our initiative to build a more inclusive culture that positively impacts our employees, customers, and partners, we are working to remove insensitive terms from our products and documentation. We are also mindful of the necessity to maintain compatibility with our customers' existing technologies and the need to ensure continuity of service as Oracle's offerings and industry standards evolve. Because of these technical constraints, our effort to remove insensitive terms is ongoing and will take time and external cooperation.

Related Resources

For more information on any related features, refer to the following documents:

- Oracle Banking Digital Experience Installation Manuals
- Oracle Banking Digital Experience Licensing Manuals

Conventions

The following text conventions are used in this document:

Convention	Meaning
boldface	Boldface type indicates graphical user interface elements associated with an action, or terms defined in text or the glossary.
<i>italic</i>	Italic type indicates book titles, emphasis, or placeholder variables for which you supply particular values.

Convention	Meaning
monospace	Monospace type indicates commands within a paragraph, URLs, code in examples, text that appears on the screen, or text that you enter.

Screenshot Disclaimer

Personal information used in the interface or documents is dummy and does not exist in the real world. It is only for reference purposes; actual screens that appear in the application may vary based on selected browser, theme, and mobile devices.

Acronyms and Abbreviations

The list of the acronyms and abbreviations used in this guide are as follows:

Table 1 Acronyms and Abbreviations

Abbreviation	Description
OBDX	Oracle Banking Digital Experience

Basic Actions

Most of the screens contain icons to perform all or a few of the basic actions. The actions which are called here are generic, and it varies based on the usage and the applicability. The table below gives a snapshot of them:

Table 2 Basic Actions and Descriptions

Action	Description
Back	In case you missed to specify or need to modify the details in the previous segment, click Back to navigate to the previous segment.
Cancel	Click Cancel to cancel the operation input midway without saving any data. You will be alerted that the input data would be lost before confirming the cancellation.
Next	On completion of input of all parameters, click Next to navigate to the next segment.
Save	On completion of input of all parameters, click Save to save the details.
Save & Close	Click Save & Close to save the data captured. The saved data will be available in View Business Product with <i>In Progress</i> status. You can work on it later by picking it from the View Business Product .
Submit	On completing the input of all parameters, click Submit to proceed with executing the transaction.
Reset	Click Reset to clear the data entered.
Refresh	Click Refresh to update the transaction with the recently entered data.
Download	Click Download to download the records in PDF or XLS format.

Symbols and Icons

The following are the symbols/icons you are likely to find in this guide:

Table 3 Symbols and Icons

	View records in a card format for better visual representation.
	View records in tabular format for better visual representation.

Post-requisites

After finishing all the requirements, please log out from the **Home** screen.

1

Introduction

This topic describes how the application enables users to open and manage recurring deposits from initiation to maturity.

A Recurring Deposit is a special kind of Deposit offered by banks. It is an investment plan in which investments are made in small installments at fixed intervals systematically. Customers of the Bank makes regular deposits and are entitled to earn fixed returns on their investment.

It is a deposit held at a bank for a fixed term, generally ranging from a month to a few years – term range depends on the product type) If compared to regular savings accounts, the interest earned on recurring deposit is higher.

Customers opt to invest in recurring deposits as they are a safe and secure mode of investment and yield higher returns than regular checking or savings accounts.

Note

In application

1. Account searchable drop-down will allow user to search the account number basis on the Account Number, Account Name, or Account Currency or Branch Code.
2. Bank can configure the fields to be shown as additional values in the accounts drop-down.

Pre-requisites

- Recurring Deposit products are maintained in the Core Banking Application
- Recurring Deposit products are enabled for specific User type
- Transaction access is provided to retail customers.
- Recurring Deposit accounts are maintained in the Core system under a party ID mapped to the customer.

Features Supported In the Application

The retail module of the application supports the following features:

- [Apply for a New Recurring Deposit](#)
- [Recurring Deposit Summary](#)
- [View Recurring Deposit Details](#)
- [Edit Maturity Instruction](#)
- [Redeem Recurring Deposit](#)
- [View Recurring Deposit Statement](#)
- [Request Statement](#)

- [Overview Widget](#)
This topic describes the Recurring Deposit overview page, which provides a summary of the customer's recurring deposit holdings with the bank, as well as links to various transactions available to the customer.

1.1 Overview Widget

This topic describes the Recurring Deposit overview page, which provides a summary of the customer's recurring deposit holdings with the bank, as well as links to various transactions available to the customer.

The retail dashboard page displays an overview of the customer's holdings with the bank as well as links to various transactions offered to the customer. The **Overview** widget displays the customer's holdings in each account type such as Current and Savings Accounts, Term Deposits, Loans, Credit Cards, Recurring Deposits and Investments. It is a container and user can scroll from left to right, right to left. Each relationship card displays details specific to that account type. One such example is that of Recurring Deposits. Each card displays basic information of the deposit which comprises of the recurring deposit current balance and Total Number of recurring deposit account held with the bank.

On clicking on account type **Recurring Deposits** card, details of the Recurring Deposits held with the bank are displayed on next page. The Recurring Deposits summary page provides users with a holistic view of all their deposit accounts along with the basic details of each deposit account. On Summary page the basic details of individual accounts are displayed as record.

Each record displays basic information of the account which comprises of the deposit account number, current balance, maturity amount, product name and the **More Actions** menu.

Note

The Relationship Overview widget is available on both desktop and mobile (responsive) view.

If the retail user does not have any term deposit accounts, system displays the text message and the card which re-directs user to the **New Recurring Deposits** screen.

- On the Dashboard, click **Overview Widget** , and then click **Recurring Deposits** card. The **Overview** widget appears.

Figure 1-1 Overview widget

2

New Recurring Deposit

This topic provides the systematic instructions for user to apply for new recurring deposits.

New Recurring Deposit page enables the customer to book a new recurring deposit account. The multiple Recurring Deposit products are maintained at bank level. The customer can select any product offer in order to apply for a recurring deposit of choice.

While applying for a recurring deposit, the customer is required to identify the installment amount for which the deposit is to be opened, the tenure i.e. the term of the deposit and the holding pattern i.e. single or joint. Additionally, the customer is also required to select the current or savings account from which funds are to be debited in order to fund the deposit.

In case of joint accounts, Recurring Deposit is booked by default on joint name if single holding pattern is not selected by the customer. It also allows customer to select the holding pattern to singly for creating a new RD so that he/she can liquidate my Recurring Deposit's online conveniently.

In case of single RD account, customer can also add a nominee in the recurring deposit who will be entitled to receive the money upon death of the account holder.

Note

It is mandatory to update the PAN number (valid for India specific region) :

- If the customer creates a new recurring deposit installment of value more than or equal to Rs. 50,000.
- If at any given point of time while creating a new recurring deposit the cumulative deposits (Fixed plus recurring) for a customer in that financial year is more than Rs. 5,00,000.

3

Recurring Deposit Summary

This topic provides the systematic instructions for users to view of all the recurring deposits they hold with the bank.

All the active recurring deposits are listed as records. Each record comprises of information such as the recurring deposit account number, account nickname (if assigned), product name, current balance, maturity date and maturity amount.

Note

1. If the retail user does not have any term deposit accounts, system displays the text message and the card which re-directs user to the **New Recurring Deposits** screen.
2. The left swipe and Long Press gesture is implemented on mobile and tablets devices.
Long press gesture - Users can now press and hold down on a screen for an extended duration, which displays additional options or actions. This feature is available on Account Listing, which triggers Redeem, Edit Maturity Instructions functionalities.

Click on the specific deposit account to view further details of that account or view the summary of transactions undertaken through that account. The **More Actions** menu on the right top corner of the page lists the relevant allowed actions based on the account status

Using the **Manage Columns** feature, bank can configure and enable customizable UI display/download option for the end users. Using this feature, users can personalize the information to be displayed/downloaded from search grid displayed on the screen.

By clicking on **Manage Columns** option available on the screen, user can

- Rearrange columns
- Remove specific columns.

Note

1. The downloaded report will have the same columns as displayed on the UI as per user preference as well as there will also be an option to modify the column selection while downloading.
2. The column preferences setup by the user will be saved for future reference i.e. in case the user revisits this screen, the preferred columns will only be displayed in the table.

Perform anyone of the following navigation to access the **Recurring Deposits Summary** screen.

- From the Dashboard, click **Toggle menu**, click **Menu**, then click **Accounts**, and then click **Recurring Deposits** tab.
- From the Dashboard, click **Overview** widget, click **Recurring Deposits** card.
- Access through the **Recurring Deposits** tab available on footer of all pages.
-

The **Recurring Deposits** summary screen appears.

Recurring Deposit Details

This topic provides the systematic instructions for users to view details pertaining to a specific recurring deposit held by the customer.

The deposit details page displays details of a specific recurring deposit of the customer. Details such as holding pattern and names of account holders, nomination status, the current status of the deposit, the interest rate applicable and the installment amounts and dates, are displayed.

There are in three main section **Deposit Details**, **Recent Transactions**, and **Additional Information**. To navigate between the different sections, **Recent Transactions**, and **Additional Information** the user can use the bookmark options available on top right corner.

The **Deposit Details** section provide general information about the deposit account such as the current balance, nickname, status of the account and product name, maturity amount, maturity date, and rate of interest. The **Recent Transactions** sections displays the entries along with each amount, transaction date and reference details. The **Additional Information** section displays the account holding pattern and the names of all the account holders, the branch in which the account is held along with original principal amount, current principal amount, maturity date, maturity amount, rate of interest, hold amount, deposit date, value date, deposit term etc.

Perform anyone of the following navigation to access the **Recurring Deposits Details** screen.

- From the Dashboard, click **Toggle menu**, click **Menu**, then click **Accounts**, and then click **Recurring Deposits** tab, and then click on the **Recurring Deposit Account Number** .
- From the Search bar, type **Recurring Deposits - Recurring Deposits Details** and press **Enter**.
- From the Dashboard, click **Overview** widget, click **Recurring Deposits** card, and then click on the **Recurring Deposit Account Number**

The **Recurring Deposit Details** screen appears.

Redeem Recurring Deposit

This topic provides the systematic instructions for users to quickly liquidate their recurring deposits when necessary.

In times of financial emergencies, the primary source of funds for most people is their savings and investments. The facility to liquidate funds becomes imperative in such cases. The redeem Recurring Deposit feature enables customers to quickly liquidate their Recurring Deposit in any such situations.

Using this option, the customer can redeem the entire amount of a recurring deposit. On premature closure of your Recurring Deposit, interest will be paid as per the rate of interest applicable for the tenure during which the deposit was kept with subject to penal rates as applicable.

Customers can choose to payout the funds from a deposit through any of the following methods:

- Transfer to own account
- Transfer to internal account
- Transfer to a domestic account
- Transfer to an international account

To redeem the recurring deposit:

1. Perform anyone of the following navigation to access the **Redeem Recurring Deposit** screen.

- From the Dashboard, click **Toggle menu**, click **Menu**, then click **Accounts**, and then click **Recurring Deposits** tab, and then click **Recurring Deposit Account Number**.

From the **Recurring Deposit Details** page, click on the **More Actions**, and then click on the **Redeem Recurring Deposit**.

- From the Search bar, type **Recurring Deposits – Redeem Recurring Deposit** and press **Enter**.
- On the Dashboard, click **Overview** widget, click **Recurring Deposits** card, then click **Recurring Deposit Account Number**.

From the **Recurring Deposit Details** page, click on the **More Actions**, and then click on the **Redeem Recurring Deposit**.

The **Redeem Recurring Deposit** screen appears.

8

Account Nickname

This topic provides the systematic instructions to customers for assigning nicknames to any account.

A user may wish to assign nicknames to deposit accounts so as to be able to easily identify them. The **Add/Edit Nickname** feature enables users to easily assign nicknames to any deposit account. Once a nickname is assigned to an account, it is displayed on various transactions in addition to the standard account description. This option also allows user to modify or delete the nickname whenever required.

To add/edit nickname against a deposit account:

1. Perform anyone of the following navigation to access the **Recurring Deposits Details** screen.
 - From the Dashboard, click **Toggle menu**, click **Menu**, then click **Accounts**, and then click **Recurring Deposits** tab, and then click on the **Recurring Deposit Account Number**.

From the **Recurring Deposit Details** page, goto **Recurring Deposit Details** section.

The **Recurring Deposits Details** screen appears.

2. Perform one of the following actions:
 - Click on the **Add** link if nickname is not assigned to the account.
 - Click on the nickname if nickname is already been assigned to modify the nickname.

The **Add/Edit Nickname** popup appears.

Figure 8-1 Add/Edit Nickname

Note

The fields which are marked as Required are mandatory.

For more information on fields, refer to the field description table.

Table 8-1 Add/Edit Nickname - Field Description

Field Name	Description
Nickname	Specify a nickname to be assigned to the account. If a nickname has already been assigned to the account, it will be displayed in editable mode.

3. In the **Nickname** field, enter the nickname you want to use.

4. Perform one of the following actions:

- Click **Save** to save your changes.

Nicknames will be displayed on various transactions instead of the standard account description.

- Click **Delete** to delete the nickname.

9

FAQ

1. What is advantage of assigning a nickname to an account?

You can personalize your account by giving it a nickname. This way you will be able to easily identify it when viewing account summary.

2. Can I assign a nickname to a joint account?

Yes, you can add nickname to any account of which you are the primary holder.
