## Audience

This guide is intended for the bankers who are responsible for onboarding SME customers into the bank.

## Diversity and Inclusion

Oracle is fully committed to diversity and inclusion. Oracle respects and values having a diverse workforce that increases thought leadership and innovation. As part of our initiative to build a more inclusive culture that positively impacts our employees, customers, and partners, we are working to remove insensitive terms from our products and documentation. We are also mindful of the necessity to maintain compatibility with our customers' existing technologies and the need to ensure continuity of service as Oracle's offerings and industry standards evolve. Because of these technical constraints, our effort to remove insensitive terms is ongoing and will take time and external cooperation.

### 1.1 Overview of SME Onboarding

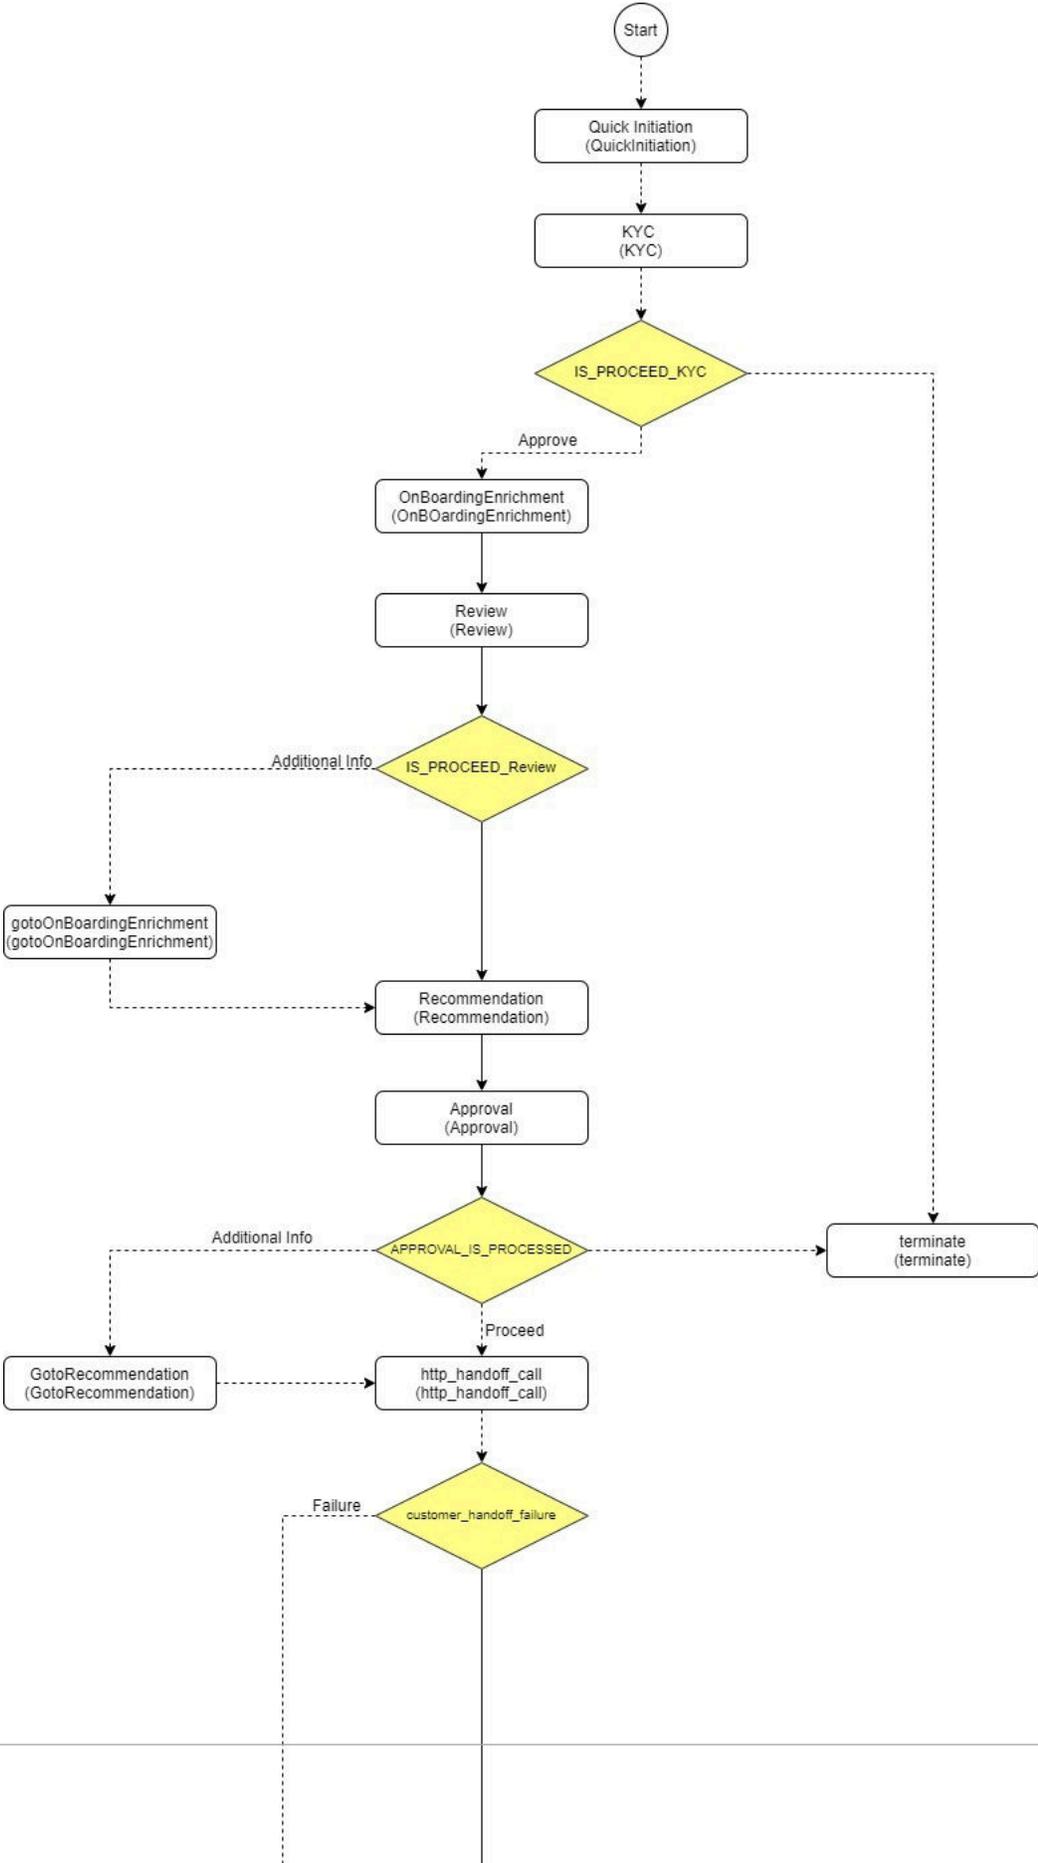

SME Onboarding is an ongoing process, which helps banks to create a relationship with customers.

In a bank, there would be a Relationship Manager (RM) for every SME that will be onboarded as a customer. The respective RM would take care of the customer to successfully onboard into the bank. The various activities performed for the SME onboarding process are:

- Initiation
- KYC
- Enrichment
- Review
- Recommendation
- Approval

The flow diagram illustrating the different stages in the SME onboarding process is shown below for reference:
