## Purpose

This guide provides the detailed information about the Retail 360 feature.

## **Audience**

This guide is intended for the Relationship Managers (RM) in the retail division of the bank.

# **Documentation Accessibility**

For information about Oracle's commitment to accessibility, visit the Oracle Accessibility Program website at http://www.oracle.com/pls/topic/lookup?ctx=acc&id=docacc.

#### **Access to Oracle Support**

Oracle customers that have purchased support have access to electronic support through My Oracle Support. For information, visit <a href="http://www.oracle.com/pls/topic/lookup?ctx=acc&id=info">http://www.oracle.com/pls/topic/lookup?ctx=acc&id=info</a> or visit <a href="http://www.oracle.com/pls/topic/lookup?ctx=acc&id=trs">http://www.oracle.com/pls/topic/lookup?ctx=acc&id=trs</a> if you are hearing impaired.

## **Critical Patches**

Oracle advises customers to get all their security vulnerability information from the Oracle Critical Patch Update Advisory, which is available at Critical Patches, Security Alerts and Bulletins. All critical patches should be applied in a timely manner to make sure effective security, as strongly recommended by Oracle Software Security Assurance.

## **Diversity and Inclusion**

Oracle is fully committed to diversity and inclusion. Oracle respects and values having a diverse workforce that increases thought leadership and innovation. As part of our initiative to build a more inclusive culture that positively impacts our employees, customers, and partners, we are working to remove insensitive terms from our products and documentation. We are also

mindful of the necessity to maintain compatibility with our customers' existing technologies and the need to ensure continuity of service as Oracle's offerings and industry standards evolve. Because of these technical constraints, our effort to remove insensitive terms is ongoing and will take time and external cooperation.

## Conventions

The following text conventions are used in this document:

| Convention Meaning |  |  |
|--------------------|--|--|
| boldface           | Boldface type indicates graphical user interface elements associated with an action, or terms defined in text or the glossary.         |  |
| italic             | Italic type indicates book titles, emphasis, or placeholder variables for whit you supply particular values.                           |  |
| monospace          | Monospace type indicates commands within a paragraph, URLs, code in examples, text that appears on the screen, or text that you enter. |  |

## Related Resources

For more information, see these Oracle resources:

- Getting Started User Guide
- Retail Onboarding User Guide

## Screenshot Disclaimer

Personal information used in the interface or documents is dummy and does not exist in the real world. It is only for reference purposes.

## **Basic Actions**

Most of the screens contain icons to perform all or a few of the basic actions. The actions which are called here are generic, and it varies based on the usage and the applicability. The table below gives a snapshot of them:

Table Common Icons and its Definitions

| Icon  | Description                            |
|-------|--|
| Close | Click <b>Close</b> to exit the screen. |

# Symbols and Icons

The following are the symbols you are likely to find in this guide:

## Table Symbols and Icons

| Symbol/Icon    | Function    |

# Overview of Retail 360

This topic describes the overview of the Retail 360 feature.

Retail 360 is an essential feature that is designed to simplify the work of Relationship Managers (RM) in the bank and save a significant amount of time. The customer-specific information displayed in Retail 360 enables the RM to stay up to date about their customers and perform actions that have strict deadlines on time.

Some of the most required information displayed in Retail 360 are:

**Table 1-1 Customer Demographic Sections** 

| Sections              | Description  |
|-----------------------|--|
| Account Information   | This section provides the account information on all the customer accounts.                            |
| Standing Instructions | This section provides the standing instructions for automatic debit of loans received by the customer. |
| Alerts                | This section provides the alerts on pending activities.  |
| Pending Activities    | This section provides the pending activities of both the bank and the customer.                        |
| Pending Requests      | This section provides the pending requests from the customer.  |
| Offers and Schemes    | This section provides the offers and schemes availed by the customer.                                  |
| Upcoming Events       | This section provides the upcoming events of the customer.   |

## Get Started

This topic describes the detailed information on the various tiles/sections of the Retail 360 page.

Retail 360 enables the user to view all the necessary information about the customer from a single place. The Retail 360 page can be viewed using the *Customer Search* option.

This topic contains the following subtopics:

#### Retail 360 Page

This topic provides systematic instructions to view the customer details in Retail 360 page.

#### Personal Information

This topic provides the systematic instruction to view the personal information about the customer in the left pane of the Retail 360 page.

#### Account Information

This topic provides systematic instruction to view the balance details and outstanding information of all the customer accounts at the top of the Retail 360 page.

#### Pending Activities

This topic describes the information to view the activities that are pending from the RM and the customer.

#### Alerts

This topic describes the information on the alerts that require the immediate action, such as payment overdue.

#### Pending Requests

This topic describes the information to view the requests that are made by the customers and not yet responded by the bank.

#### Upcoming Events

This topic describes the information to view the schedule of the customer based on their activities.

#### Total Relationship Value

This topic provides systematic information to view the total value of the relationship between the customer and the bank in terms of assets and liability.

#### Last Five Transactions

This topic describes the information to view the last five transactions done by the customers.

#### Fee Income Products

This topics describes the information to view the groups and lists the products through which the bank gains income from the customer.

#### Standing Instructions

This topic describes the information to view the standing instruction sets for the customer accounts.

#### Offers and Schemes

This topic describes the information to view the offers and schemes that are already availed by the customers.

## 2.1 Retail 360 Page

This topic provides systematic instructions to view the customer details in Retail 360 page.

Log in to the application homepage. For information on how to log in, refer to *Getting Started User Guide*.

#### Note:

- User should have the required Customer Group Access to View 360 of a party within a customer access group. For more details, refer to Oracle Banking Common Core User Guide, Oracle Banking Security Management System User Guide, and Retail Onboarding User Guide.
- User should have the required Personal Identifiable Information (PII) access to view party information, if PII fields are configured. For more details, refer to Oracle Banking Security Management System User Guide, and Retail Onboarding User Guide.

The fields, which are marked with an asterisk, are mandatory.

On the Home page, click Party Services. Under Party Services, click View 360.
 The View 360 screen displays.

Figure 2-1 View 360

2. On the **View 360** screen, specify the fields. For more information on fields, refer to the field description table.

Table 2-1 View 360 - Field Description

| Field          | Description                                   |
|----------------|---|
| Enter Party ID | Specify the party ID of the desired customer. |
| Enter CIF      | Specify the CIF of the desired customer.      |

3. Click View 360 Now.

The Retail 360 page displays.

Pending Requests New debit card reques Requested on6/2/2020 Change of address Requested on3/26/2020 New Cheque book Requested on3/27/2020 Locker premium Locker renewal premium to be paid. Figure 2-2 Retail 360

## 2.2 Personal Information

This topic provides the systematic instruction to view the personal information about the customer in the left pane of the Retail 360 page.

Before you begin, open the Retail 360 page. For more information, refer to Retail 360 Page.

The following table describes the different sections in the Personal Information tile:

Table 2-2 Personal Information - Section Description

| Section                | Description  |
|------------------------|--|
| Profile Picture        | Displays the picture, name, and unique ID of the customer.                                       |
| Signature              | Displays the signature of the customer in bank records.  |
| Contact Information    | Displays the communication address of the customer.  |
| Other Information      | Displays the name in local language, details of special needs, and relationship manager details. |
| KYC                    | Indicates the KYC compliance status of the customer.   |
| Dependents             | Displays the dependent details of the customer.  |
| Anniversaries          | Displays the anniversary details of the customer and their dependents.                           |
| Documents              | Displays the documents submitted by the customer.  |
| Employment Information | Displays the employment details of the customer.   |

#### **Dependants**

The **Dependants** section displays the dependant information.

#### Figure 2-3 Dependants

 On the Retail 360 page, in the Dependents section, click Household View to view the dependent information in the tree view.

The Household View window displays.

Figure 2-4 Household View

- 2. Click icon to exit the **Household View** window.
- 3. On the Retail 360 page, in the **Dependents** section, click **Household Balance** to view the balance in all the dependent accounts.

The **Household Balance** window displays.

Figure 2-5 Household Balance

- 4. Select the **Products** from the drop-down list. The options available are:
  - All
  - Assets
  - Liabilities
  - Fee Income Products

The Household Balance for Selected Product displays.

Figure 2-6 Household Balance for Selected Product

5. Click icon to exit the **Household Balance** window.

#### **Documents**

The **Documents** section displays the details of all the documents submitted by the customer.

Figure 2-7 Documents

## **Documents**

On the Retail 360 page, in the Documents section, click All Documents.

Figure 2-8 Documents

7. Click icon to exit the **Documents** window.

#### **Employment Information:**

The **Employment** window displays the employment history.

Figure 2-9 Employment Information

## **Employment Information**

## **View Employment History**

8. On the Retail 360 page, in the **Employment Information** section, click **View Employment History** to view the employment details.

Figure 2-10 View Employment History

9. Click the icon to exit the **Employment** window.

## 2.3 Account Information

This topic provides systematic instruction to view the balance details and outstanding information of all the customer accounts at the top of the Retail 360 page.

Before you begin, open the Retail 360 page. For more information, refer to the Retail 360 Page.

The details of the following customer accounts are displayed on the Retail 360 page:

- CASA
- Loan Account

- Limits
- Fixed Deposit
- Credit Cards
- Recurring Deposit
- Demat Account
- Mutual Funds
- Insurance Policies
- Lockers

A basic view of the account information is as follows:

Figure 2-11 Account Information – Basic View

Perform the following steps to view the account information of the customer accounts:

On the Retail 360 page, under the Account Information section, click SHOW MORE.
 The Account Information – Expanded View displays.

Figure 2-12 Account Information – Expanded View

Click on the account count in the CASA section to view the detailed information about CASA.

The **CASA Information** window displays.

Figure 2-13 CASA Information

3. Click the **Current Accounts** tab to view only the current account details.

The **Current Accounts** window displays.

Figure 2-14 Current Accounts

You can also view only savings account details in the Savings Accounts tab.

In case of an unauthorized overdraw, the system displays the notification in the CASA widget to indicate the number of accounts that have an unauthorized overdraft.

Figure 2-15 CASA Information- Notification

 On the Retail 360 page, under the CASA account information section, click on the notification.

The **Overdraft** window displays the accounts with unauthorized overdraft.

Figure 2-16 CASA Information - Unauthorozed Overdraft

5. On the **Overdraft** window, click on the desired account number.

The **Account Balances** window displays.

Figure 2-17 Account Balances

6. On the Retail 360 page, under the **Account Information** section, click **Loan Account** to view the loan account details.

The **Loan Account** window displays.

Figure 2-18 Loan Account

#### Note:

By default, the details are displayed for all the loan accounts. You can also click on the corresponding tab to view details about the specific loan. For example, to view details about the vehicle loan, click the **Vehicle Loan** tab.

## 2.4 Pending Activities

This topic describes the information to view the activities that are pending from the RM and the customer.

The RM can view these activities and take necessary actions based on criticality.

The following figure shows a sample of the **Pending Activities** tile:

Figure 2-19 Pending Activities

## 2.5 Alerts

This topic describes the information on the alerts that require the immediate action, such as payment overdue.

By periodically monitoring this section, the RM can well prioritize the actions to be performed. The following figure is a sample of this tile:

Figure 2-20 Alerts

# 2.6 Pending Requests

This topic describes the information to view the requests that are made by the customers and not yet responded by the bank.

The following figure shows a sample of this tile:

Figure 2-21 Pending Requests

# 2.7 Upcoming Events

This topic describes the information to view the schedule of the customer based on their activities.

The following figure shows a sample of this tile:

Figure 2-22 Upcoming Events

The following options are available to view the required details:

Table 2-3 Upcoming Events - Options

| Action    | Description   |
|-----------|---|
| Show List | Click <b>Show List</b> to view the upcoming events as a list. |
| View All  | Click View All to view all the upcoming events.               |

# 2.8 Total Relationship Value

This topic provides systematic information to view the total value of the relationship between the customer and the bank in terms of assets and liability.

Before you begin, open the Retail 360 page. For more information, refer to Retail 360 Page.

The following figure shows a sample of this tile:

Total Relationship Value

50.24%
Assets
49.76%
Liability

Total Assets Value

Total Liabilities Value

Figure 2-23 Total Relationship Value

#### View the Liability Chart

On the Relationship chart, click on the liability portion to view only the liability value.
 The Liabilities window displays.

2. Click **Back** to view the relationship chart on the Retail 360 page.

#### View the Assets Chart

On the Relationship chart, click on the assets portion to view only the assets value.The Assets window displays.

Figure 2-25 Assets

4. Click **Back** to view the relationship chart on the Retail 360 page.

## 2.9 Last Five Transactions

This topic describes the information to view the last five transactions done by the customers.

The following figure shows a sample of the **Last Five Transactions** tile.

Figure 2-26 Last Five Transactions

## 2.10 Fee Income Products

This topics describes the information to view the groups and lists the products through which the bank gains income from the customer.

The following figure shows a sample of this tile.

Figure 2-27 Fee Income Products

Fee income products are further grouped as:

Table 2-4 Fee Income Products

| Tab           | Description                                |
|---------------|--|
| Credit Cards  | Displays the details of the credit cards.  |
| Demat Account | Displays the details of the demat account. |
| Insurance     | Displays the details of the insurance.     |
| Mutual Funds  | Displays the details of the mutual funds.  |

# 2.11 Standing Instructions

This topic describes the information to view the standing instruction sets for the customer accounts.

In addition to viewing existing instructions, the RMs can easily create new standing instructions from this tile. The following figure shows a sample of this tile. Users can select **New Standing Instructions** to create a new standing instruction.

Figure 2-28 Standing Instructions

## 2.12 Offers and Schemes

This topic describes the information to view the offers and schemes that are already availed by the customers.

Knowing the existing offers and schemes of the customer helps the RM in promoting different products. The following figures shows a sample of the **Offers and Schemes** tile and its expanded view.

Figure 2-29 Offers and Schemes

Figure 2-30 Offers and Schemes - Expanded View
