## Licensing Information & Service Description

This Licensing Information document is a part of the product or program documentation under the terms of your Oracle services or license agreement and is intended to help you understand the program editions, entitlements, restrictions, prerequisites, special license rights, and/or separately licensed third party technology terms associated with the Oracle services or software program(s) covered by this document (the "Program(s)"). Entitled or restricted use products or components identified in this document that are not provided with the particular Program may be obtained from the applicable cloud service, the Oracle Software Delivery Cloud website (<https://edelivery.oracle.com>), or from media Oracle may provide.

If you have a question about your rights and obligations, please contact your Oracle sales representative and/or contact Oracle License Management Services <https://www.oracle.com/corporate/license-management-services/>

This is an Oracle Cloud Service - Service description is available here under - Industry - Local Government
